

鉴于选课第一天学生访问量大、选课第二天管理员要手动添加非毕业班学生并选课初始化、选课期间遇到特殊情况管理员仍会选课初始化等情况，学生遇到登不上选课系统需等几分钟再次登录、已经登录上选课系统正在退课或选课操作，会提示“服务器正忙，请稍后再试”，请过几分钟再次刷新选课系统重新登陆，并在“已选课程”中找到“清缓存”多次反复确认已选课程和退课记录，保险起见隔天再次多次确认！

The screenshot shows the 'My Electives' (已选课程) page on the NIT Jiangsu website. The page has a blue header with navigation links: '专业选修课' (Professional Elective), '素质拓展选修课' (Quality Expansion Elective), '全校课程查询' (Campus-wide Course Search), and '已选课程' (My Electives), which is highlighted with a red box. On the right of the header are links for '选课帮助' (Course Selection Help) and '退出' (Logout). Below the header, there are tabs for '已选课程' (My Electives) and '退课日志' (Drop Course Log). A table with columns for course details is shown, but it contains '暂无数据' (No data). On the right side of the page, there is a vertical sidebar with buttons: '返回首页' (Return to Home), '我的' (My), '课表' (Classroom), '换轮次' (Change Round), and '清缓存' (Clear Cache). The '我的' button is highlighted with a red box, and the '清缓存' button is also highlighted with a red box. A red arrow points from the '清缓存' button to the text below. Another red arrow points from the '已选课程' header link to the text below.

在已选课程中找到清缓存，多次反复点击清缓存确认已选课程、退选课程
